### Post Ofsted message from Alice Bennett, MBE - March 2018

Dear Parents & Staff

I would like to congratulate you all on this excellent *FIRST OFSTED REPORT* for Worcester Early Years Centre. To have been awarded *OUTSTANDING* in *EVERY AREA* of judgement at a very first inspection, is truly an amazing achievement. This result speaks volumes for the dedication and loyalty of such a superb Staff Team who have worked so diligently to achieve these amazing results. I would also like to thank the Parents who took such a big part in the recent Ofsted Inspection, and spoke to the Inspector about their opinions regarding the progress and safety of their children at this Centre and the quality of leadership, management and day to day learning that goes on at WEYC. Well done to everyone and especially the children who were on top form on our Inspection Day, and chatted away very positively to our Inspector. We are delighted to share the content of our first Ofsted Inspection with all of our parents as well as prospective parents, and visitors.

*"Life affords no greater responsibility, no greater privilege, than the raising of the next generation."*

It is the wonderful Staff Team that makes Worcester Early Years Centre the outstanding Setting that it is today. This beautiful, purpose designed Setting is the fulfilment of many years of endeavour by a passionate Staff Team that began their journey at Madresfield. It is truly inspirational to see the Worcester Centre now taking on a life of its own, and excelling in all areas of operation. I would personally like to thank every member of Staff here at WEYC, for going that extra mile to make this Centre such a close knit family, where everyone is valued and encouraged to reach out and fulfil their potential. Having endured a year of cancer treatment, this wonderful result is a most uplifting and rewarding achievement for me personally. Thank you to all Staff and Parents for making this dream a reality. This *OUTSTANDING* Ofsted result will give public acclamation to the quality and standards of education that we aspire to. We invite parents to continue their support so that we can give every child the best possible start in life, as they play and learn together and develop their many talents in this beautiful farm environment.

*"Education is the most powerful tool we have to change the World for the better."*

Thank you to everyone who has been a part of this wonderful achievement, and Good Luck to those who follow, as we aspire to maintain the very highest standards for the sake of the families and the children we serve.

Kind Regards, Alice J Bennett, MBE
